

**GSA Schedule Contract No. GS-10F-0484M
Environmental Services Schedule**

The Federal Supply Schedule, also known as a Multiple Award Schedule, is a listing of contractors that have been awarded a contract by the General Services Administration (GSA) that can be used by all Federal agencies and their approved contractors. It is a competitively awarded schedule contract with fixed labor rates. Clients throughout government can obtain Frontier Environmental Services, Inc. using this GSA schedule

The GSA schedule features a simplified, streamlined procurement process:

- Task orders flow directly from agency to contractor.
- Clients can use their own contracts office.
- GSA fixed labor rates have already been determined to be "fair and reasonable."

Type of Contract: Time and materials / Firm fixed-price orders

Period of Performance: September 27, 2002 through September 27, 2007

Eligible Users and Sites: Services can be provided in the United States and Puerto Rico for these users:

- Executive and other Federal agencies
- Authorized government contractors
- The District of Columbia
- Mixed-ownership government corporations
- Other activities authorized by statute or regulation

Scope: Frontier Environmental Services, Inc., is authorized in the following Special Item Number(SIN) categories:

- 899-1 Environmental Planning Services and Documentation
- 899-2 Environmental Compliance Services
- 899-3 Environmental Occupational Training Services
- 899-8 Remediation Services

A more detailed explanation of the scope of services covered under the SIN categories can be found here. [GSA](#)

Our GSA Contract Administrator can give you more information about the GSA ordering process and answer any technical or contractual concerns.
